I, William Francis Reeves of the City of Belleville, in the County of Hastings assessor for the said City. make oath and say:—

1 I have according to the best of my information and belief, set down in the above assessment Roll all the real property liable to taxation situated in the municipality of the City of Belleville, and I have justly and truly assessed each of the parcels of real property so set down at its actual ^{cash} value, as it could be appraised in payment of a just debt from a solvent debtor and as prescribed by law.

Except ground bona fide enclosed and used as a paddock, park lawn garden or pleasure ground, which I have assessed at a valuation which, at six per centum would yield a sum equal to its annual rental for the purposes for which it is used.

Except vacant ground and ground used as a farm, garden or nursery, and not in immediate demand for building purposes which I have assessed according to the value prescribed by law.

2 The said assessment Roll contains a true statement of the aggregate amount of the personal property, or the taxable income, of every person named in the said roll; and I have estimated and set down the same according to the best of my information and belief.

3 I have entered therein the names of all residents tenants and freeholders and of all other persons who have received their names to be entered therein, with the true amount of property occupied or owned, or of income received by each, and I have not entered the name of any person whom I do not truly believe to be a tenant or freeholder, or the bona fide receiver or owner of the property, or in the receipt of the income set down opposite his name, for his own use and benefit, or otherwise to be entitled by law to be so entered.
